New A bills, (Read LB 906A and LB 1093A by title for the first time as found on page 1443 of the Legislative Journal.)

Senator Vard Johnson would like to print amendments to 112. (See pages 1443-1448 of the Legislative Journal.)

I have a report from the Government Committee on a confirmation hearing, signed by Senator Landis as Chair.

Senator Morehead would like to print amendments to 561. (See page 1448 of the Legislative Journal.)

Your committee on Enrollment and Review reports LB 801, 801A, 900, 783, 764, 981, 981A and 676 all to Select File with amendments attached, Mr. President. (See pages 1439-1442 of the Legislative Journal.)

Mr. President, LB 341A is a bill by Senator Vickers. (Read title.) I do have an amendment from Senator Vickers, Mr. President, and the Vickers amendment is on page 1274 of the Journal.

SENATOR BEUTLER: Senator Vickers, let's take up your amendment right away.

SENATOR VICKERS: Thank you, Mr. President, the amendment to 341A is to raise the amount in LB 341A up to the amount that we just discussed in the bill of LB 341. The purpose is to make it catch up with the percentages that we would have had, had we had done this last year. The A bill will then be \$50 million. I urge the advancement of LB 341A.

SENATOR BEUTLER: Senator Kahle.

SENATOR KAHLE: Mr. President, members, I know that 341 has passed and I did not vote. I had trouble voting for or against it. I just want to bring something to the attention of the group, this assembly. As you are aware I am sure, the Appropriations Committee has been working for weeks trying to keep a budget within bounds. Last week we came together and took \$12 million off of the proposed budget.
